

Family Medicine Physician Opportunity

Calgary, Alberta

Associate Clinic is a multi-specialty medical clinic located in downtown Calgary. Established in 1922 Associate Clinic delivers family, specialty and sub-specialty medical services to patients and clients from Calgary, Alberta and across Western Canada. With 25+ physicians across multiple medical disciplines, Associate Clinic offers a vibrant, flexible, and dynamic work environment.

We are seeking family physicians to join our collegial group at the Associate Clinic. Part-time or full-time are available, with the option to take over the practice of a physician who is leaving the province or to bring your own patient panel. We are also open to the potential for Physicians that wish to locum, either short term or long term.

Associate Clinic is very well managed, with excellent administrative support and competitive overhead. Associate Clinic is made up of multiple smaller clinics in a variety of specialties including family medicine, with lab, radiology, and pharmacy on site. We use Accuro.Cloud as our EMR vendor, have options for automatic appointment reminders, and secure messaging with patients. Onsite support is provided for IT, Accounting, and Human Resources. We are members of Calgary West Central PCN, CII/CPAR-enabled and fully panelled, and we have an excellent multi-disciplinary care team.

Candidates should be eligible for registration with the College of Physicians and Surgeons of Alberta.

If you would like to apply or ask for further information on this opportunity please contact our General Manager, Karen Sarabura at karen@associateclinic.com or call us at 403-221-4410
